To our customers,

Circuits, LLC certifies to the best of its knowledge and belief, the Printed Circuit Boards manufactured in our facility conform to section 1502 of the Dodd-Frank Act with regard to the use of Conflict Minerals. In addition, we declare that no Tin, Tungsten, or Tantalum is used, or byproducts generated, during the manufacturing process. Gold used for surface plating is procured through suppliers certifying that their sources are outside of the Democratic Republic of the Congo (DRC) and adjoining countries.

Circuits, LLC Shall notify the customer immediately should it be aware of any error or change which would affect the validity of this certificate of compliance.
