### **Circuits, LLC accepts Manufacturer of the Year Nomination**

#### FOR IMMEDIATE RELEASE

**MURRYSVILLE, PA, October 07, 2011** - Circuits, LLC announced today their nomination acceptance for 2011 Manufacturer of the Year presented by the *Pittsburgh Business Times*. Chosen as a finalist in both the small business category and the sustainable company category, Circuits' president, Adeodato Vigano, was pleased to accept the nomination on behalf of the company. The Manufacturer of the Year program recognizes the accomplishments and contributions of Western Pennsylvania manufacturers. Companies are honored in three categories based on size; small, medium and large. Each company is evaluated in areas such as financial growth, technological advances, product development, environmental solutions and operation excellence. The Sustainability award will be presented to the manufacture that has demonstrated a commitment to and successfully implemented sustainable manufacturing practices that are environmentally and economically sound. All nominees and winners will be recognized before an audience of fellow manufacturers and business leaders at the Manufacturer of the Year Awards Dinner at the Omni William Penn Ballroom, Pittsburgh, PA, on December 1, 2011.

"We (Circuits, LLC) are honored to be selected as a finalist for this award and extend our congratulations to all nominees on this accomplishment" says Adeodato.

The SBCA (Small Business Commerce Association) also honored Circuits, LLC with the Best of Business Award in 2009, and *Quality Magazine* recognized Circuits in the 2010 Quality Leadership 100. Circuits' was also featured as the cover story on the first issue of *Made In PA*, a publication of the Pittsburgh Technology Council.
